

## U7 Boys Game Day Instructions Saturday, 11am-12pm on BOYD BLUE

- Fields will already be set-up for you by the U8 group. Reminder that U7s do not have Coach Dougie’s staff
- On game day you will divide your House into 2 teams. There should be **two parent coaches per team**.
- Each team should go on to a field for warm-up, e.g., House 1 would warm-up on C2 and D2, House 2 would warm-up on A1 and B1, etc..... Change it up each week which two fields you go to so you are playing a different house (see diagram below)
- At the triple horn blast, you will then further break your two House team into ‘home’ and ‘away’ – so you now have 4 teams in your House (each with a parent volunteer). Your home team stays on the warm-up field and your away team travels to the field directly across. Play one game and then switch and play your opposition’s other team.
- Play is 4 v 4 with NO goalie
